Cisco Chooses Sigma Solutions' Brad Christian as Cisco Champion for 2015

SAN ANTONIO — Dec. 15, 2014 — Sigma Solutions is proud to announce that Consulting Architect Brad Christian has been chosen out of hundreds of applicants to be a Cisco Champion for 2015. The Cisco Champions Program is for technology enthusiasts with a passion for sharing their expertise and thought leadership about Cisco and the IT industry. It encompasses multiple areas of interest such as Collaboration, Data Center, Enterprise Networks, Internet of Things, and Security.

"I'm proud to be chosen as a Cisco Champion and recognized as a seasoned IT technical expert and influencer," said Brad Christian, consulting architect, Sigma Solutions. "As both a VMware vExpert and a Cisco Champion, I enjoy sharing my knowledge, expertise, and thoughts across social media and with my peers."

Sigma is driven to nurture and support its employees' passion for knowledge. In addition to Brad's achievements, Sigma's Sr. Consulting Engineer Michael Herff recently assisted Citrix in writing their NetScaler prep guides and CTO Eli Khnaser is one of only a handful of people in the world who have attained Citrix CTP, VMware vExpert and Microsoft MVP status. Sigma's professional services teams holds countless certifications across all of our key partner brands.

About The Cisco Champions

The purpose of the Cisco Champions Program is to create and nurture a network of people who are passionate about Cisco and enjoy sharing their knowledge, expertise, and thoughts across the social web and with Cisco. The Cisco Champions program encompasses different areas of interest and geographical areas within the company, providing a variety of opportunities for Champions to participate in the program.

About Sigma Solutions

Sigma Solutions is the solutions integrator of choice for companies needing a technology partner that easily transitions from the strategy of the executive suite to the operations of the data center.
